

Fruit & Vegetable Identification and Judging

NAME: _____ SCHOOL: _____

DIRECTIONS: PLEASE READ CAREFULLY

Each class of fruits or vegetables consists of 3 plates lettered A, B & C. There are five specimens on each plate. Look at the class number on the plates where you are starting and put a check next to the class number on your score sheet. Judge the three groups from Best (1st letter) Middle (2nd Letter) and Least Best (3rd Letter). Judge the plates within the class first (best) to third (least best), considering the following criteria in your decision.
